dubboprivate@healthecare.com.au **dubboprivate.com.au**
a member of the Health Care group

He is a strong advocate of **Coblation Intracapsular Tonsillectomy**, which has significant benefit of less post operative pain and bleeding. He is also promoting **Cochlear Implant surgery** at regional hospitals including Dubbo Private Hospital and Tamara Private Hospital, closer to home avoiding long trips to Sydney.

He is a member of the **ASOHNS** - Australasian Society of Otolaryngology - Head and Neck Surgery, **CIGI** - Cochlear Implant Group of India, and the Association of Otolaryngologists of India. He is affiliated with the University of Sydney Rural Medical School, Dubbo as **Honorary Senior Clinical Lecturer** with great passion and interest in education of junior staff, medical students, and surgical registrars.

Dr Sirigiri currently offers ENT services in **Dubbo, Tamworth, Forbes and Goulburn** as a senior Visiting Medical Officer/ENT Surgeon. He operates at both **Dubbo Public and Private hospitals, Tamara Private** in Tamworth, and **Forbes District Hospital**.
